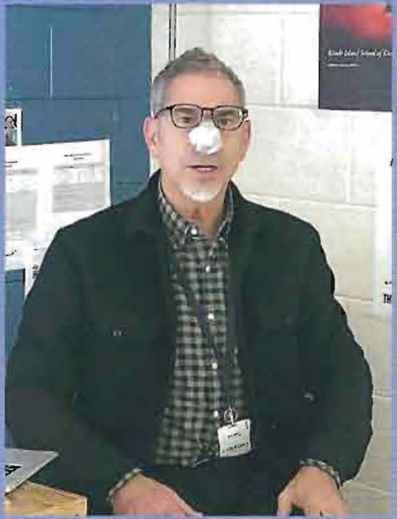
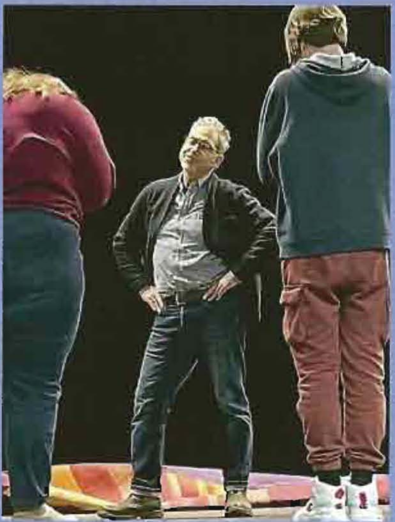
2024 Dedication: Mr. Brun





Born and raised in the heart of New Jersey, Mr Bruno spent his younger years yearning for the big screen. He got his big break when he starred as a cab driver in the hit 1986 comedy "Rockin' Road Trip" and guest starred in "Law and Order." After a fiasco with the mob, he then settled down in Rutland Vermont where he has taught English and High School Theatre for 25 years. Sadly, Bruno will be leaving us this year, but he will always live on in our hearts.

"...Just eat your nuts
and shush!"

Arthur Baeten is from Munsterbilzen, Belgium.

He's been to Boston, Hawaii and he's learned he really likes he movie theaters in America. His biggest surprises were how everything in America is a highway, there's so little public transportation, and how high the toilet water is. Before he came to the US he traveled all over Europe!!

This year, Arthur has participated in indoor and outdoor soccer, basketball, rock climbing. and ultimate frisbee.

Arthur will emember all the people he's met in America! His favorite thing about America is he big cities....
